RE: Approval for a new dual degree program – Master of Science with a major in Mexican American Studies and a Master of Public Health with a major in Public Health  

This memorandum consists of official confirmation of final approval granted November 28, 2006, by the Graduate College, University of Arizona, to implement a new dual degree program, effective Spring 2007. Students who successfully complete all requirements for this dual degree program will be awarded the Master of Science with a major in Mexican American Studies and the Master of Public Health with a major in Public Health.  

By copy of this memo, I am requesting that appropriate changes be made to systems, records and publications.
