RE: Authorization to merge the MS and PhD degrees with majors in Range Management, Watershed Management, Wildlife & Fisheries Science, and Renewable Natural Resources into the MS and PhD with a major in Renewable Natural Resources.

This memorandum consists of official confirmation of final approval by the Arizona Board of Regents at their January 22, 2004 meeting of authorization to:

Merge the Master of Science degrees with majors and minors in Range Management, Watershed Management, Wildlife & Fisheries Science, and Renewable Natural Resources into the Master of Science with a major and minor in Renewable Natural Resources.

Merge the Doctor of Philosophy degrees with majors and minors in Range Management, Watershed Management, Wildlife & Fisheries Science and Renewable Natural Resources into the Doctor of Philosophy with a major and minor in Renewable Natural Resources.

Specializations approved for the MS and PhD with a major in Renewable Natural Resources include: Rangeland Science and Management, Renewable Natural Resource Studies, Watershed Hydrology and Management, Wildlife Science and Fisheries Science.

The change is effective Summer 2004. By copy of this memo, I am requesting that appropriate changes be made to systems, records and publications.
