RE: Name change of the School of Renewable Natural Resources to the School of Natural Resources. Name change of the major in Renewable Natural Resources to the major in Natural Resources for the MS and PhD degrees. Name change of the Bachelor of Science in Renewable Natural Resources to the Bachelor of Science in Natural Resources.

This memorandum consists of official confirmation of final authorization by the Arizona Board of Regents to:

- Change the name of the School of Renewable Natural Resources to the School of Natural Resources.
- Change the name of the major and minor from Renewable Natural Resources to the major and minor in Natural Resources.
- Change the Bachelor of Science in Renewable Natural Resources degree to the Bachelor of Science in Natural Resources degree.

The change is effective Summer 2004. By copy of this memo, I am requesting that appropriate changes be made to systems, records and publications.
