DATE: February 8, 2005

RE: Request to establish the Graduate Certificate in Geographic Information Science to be administered by the School of Natural Resources, College of Agriculture and Life Sciences

This memorandum serves as official confirmation of approval by the University of Arizona Faculty Senate effective January 23, 2006 of a new graduate certificate, the Graduate Certificate in Geographic Information Science, as proposed by the School of Natural Resources and the Department of Geography and Regional Development.

Establishment is effective Spring 2006. By copy of this memo, I am requesting that appropriate changes be made to systems, records and publications.
