RE: Request to change the degree type for the Master’s of Science in Applied Bioscience with a major in Applied Biosciences, Master’s of Science in Applied and Industrial Physics with a major in Applied and Industrial Physics, and the Master’s of Science in Mathematical Sciences with a major in Mathematical Sciences

This memorandum serves as official confirmation of final approval by the Executive Director of the Arizona Board of Regents on May 10, 2006 of authority to make the following changes:

- Master’s of Science in Applied Bioscience with a major in Applied Biosciences changed to the Professional Science Master’s with a major in Applied Biosciences
- Master’s of Science in Mathematical Sciences with a major in Mathematical Sciences changed to the Professional Science Master’s with a major in Mathematical Sciences
- Master’s of Science in Applied and Industrial Physics with a major in Applied and Industrial Physics changed to the Professional Science Master’s with a major in Applied and Industrial Physics

Implementation is effective Fall 2006. By copy of this memo, I am requesting that appropriate changes be made to systems, records, and publications.
