RE: Degree name change of the Professional Masters degrees to PSM

The following petition requests that the degree designations of MSB (Masters of Science in Applied Biosciences), MSM (Masters of Science in Mathematical Sciences), and MSP (Master of Science in Applied and Industrial Physics), approved by ABOR in 2000, be consolidated into a single degree of PSM (Professional Science Masters) with majors in the respective disciplines.

Lindy Brigham, (Applied Biosciences)
Asst. Res. Prof
Division of Plant Pathology and Microbiology
Department of Plant Sciences

Michael Tabor, (Mathematical Sciences)
Professor
Department of Mathematics

Shivas Narayan (Applied and Industrial Physics)
Associate Professor
Department of Physics

Eugene Sander
Vice President and Dean
College of Agriculture and Life Sciences

Joaquin Riea
Dean, College of Science
